

# Picton Annual Maritime Festival Raft Race 2017

The Raft Race will be run in heats throughout the day, and finish in a final race mid-afternoon. We have the rafts ready to use, so you don't even have to make one. All you need to do is get a team of four people together, complete your registration and arrive on the day with your own life jackets.

Due to popular demand the Port Marlborough Novelty Section (build your own raft) will also be raced. **Cash prizes will be awarded.** If you build your own raft you are responsible for the removal of your raft. Sign up now as spaces are limited.

There will be six grades to which to enter the race (All four members must fit the grade):

Junior Race 8-15 years (inclusive)

Senior Race 16 years and over

Business Challenge

Port Marlborough Novelty Races – Primary (up to 13yrs)

“ “ (Build your own) “ “ Secondary (14 – 18yrs)

Senior (19yrs & over)
